## **What's that you said? Healthy Hearing Seminar, May 5**

April 2006/Tucson, AZ/May is National Better Hearing and Speech Month, the perfect time to recognize the causes of hearing loss and how to prevent it. There are 28 million Americans with hearing loss.

Learn about your hearing health at a community educational seminar right here at Ventana Canyon. It's an opportunity to learn the signs of hearing loss, compare different types of hearing aids and talk about solutions. Find out what there is to know about hearing health in a straightforward, no pressure environment.

**Friday, May 5, 9 am - 11 am**  
**The Lodge at Ventana Canyon Golf and Racquet Club**  
**Free and open to the public**  
**Refreshments served**  
**Space is limited so call 742-2845 today to reserve your seat**

Founded by Janis Wolfe Gasch, M.S., CCC-A, Arizona Hearing Specialists is a group of audiologists that for 25 years has been specializing in the identification and prevention of hearing problems and the non-medical rehabilitation of those who have hearing problems.
